OIA Staff Meeting

4 August 1978

STATINTL

N. Firth

TL

STATINTL

STATINTL

1. [REDACTED], IEG/NPIC, briefed on NPIC's search procedures. STATINTL

2. Mr. Firth commented on the NFAC meetings he and [REDACTED] attended over the last month:

a. The NFAC staff meetings have changed in the last month. Staff meetings will be held on Monday, Wednesday and Friday for the purpose of briefing either Mr. Bowie or Dr. Stevens on items for the DCI. A Thursday morning meeting is held with the Office directors for personnel matters, etc.

b. OIA was asked to comment on the MAG paper discussing "Creation of an Intelligence Specialist Corps within NFAC."

c. OGCR's request for mensuration support was discussed. OIA will provide this support to OGCR in a number of subject areas.

d. Mr. Firth reported on the status of the various personnel boards and panels being formed in accordance with the new career system which is expected to be operating by 1 October 1978.

(1) Mr. Firth is a member of the NFAC Assignments Panel which advises the NFAC Career Service Board on the selection of people attending senior schools; certain rotational assignments; and reassignment of persons returning from overseas.

(2) Mr. Firth will chair the GS-14 Review Panel. It will review rankings and promotions of GS-14s throughout NFAC.

(3) [REDACTED] is a member of the NFAC Performance Review Panel. Its function is to review the Three-Percent listing developed by all components of NFAC.
